Dear Mr. Kevin:

With respect to your letters dated January 15, 1979, and February 6, 1979, this is to advise that a most extensive search failed to reveal the existence of any such memo.

The search for information in response to your request was limited to those records in our central records system which are maintained at FBI Headquarters, Washington, D. C., and does not include a search of any of our Field Office records. If you wish to pursue this matter with any of our Field Offices, you should correspond directly with them.

Sincerely yours,
